

WHITMOORE CHEMICAL COMPANY

HOW CAN WHITMOORE DO MORE FOR YOU?

WHITMOORE CHEMICAL COMPANY
PUBLIC RELATIONS DEPARTMENT
INTERNAL MEMORANDUM

DATE: JUNE 19, 1985
TO: WHITMOORE EXECUTIVE STAFF
FROM: LOU GREGHORN, PUBLIC RELATIONS MANAGER
SUBJECT: EMERGENCY SITUATION: AQUABEAM CONTAINMENT BREACH

DEAR EXECUTIVE STAFF,

I AM WRITING TO INFORM YOU OF AN URGENT AND DIRE SITUATION THAT HAS DEVELOPED WITHIN OUR FACILITY. AS OF THIS MORNING, THE AQUABEAM SUBSTANCE HAS COMPLETELY ESCAPED CONTAINMENT DEEP WITHIN THE WHITMOORE CHEMICAL COMPANY'S PREMISES.

OUR SCIENTIFIC TEAM DISCOVERED THE BREACH AND ATTEMPTED TO REGAIN CONTROL, BUT THEIR EFFORTS HAVE BEEN TRAGICALLY UNSUCCESSFUL. SEVERAL SCIENTISTS HAVE BEEN FOUND DEAD, THEIR BODIES SIPHONED OF ALL FATS, A HORRIFYING INDICATION OF AQUABEAM'S DEADLY CAPABILITIES. ADDITIONALLY, OUR SECURITY PERSONNEL HAVE BEEN BRUTALIZED AND MURDERED IN THE ENSUING CHAOS.

WE ARE REQUESTING IMMEDIATE ASSISTANCE FROM THE EXECUTIVE STAFF TO ADDRESS THIS CRISIS. THE SITUATION IS RAPIDLY DETERIORATING, AND WE ARE STRUGGLING TO CONTAIN THE SPREAD OF AQUABEAM. THE SUBSTANCE HAS GROWN IN SIZE AND STRENGTH, AND WE ARE DEEPLY CONCERNED ABOUT THE POTENTIAL FOR FURTHER CASUALTIES AND DAMAGE.

PLEASE RESPOND AS SOON AS POSSIBLE WITH DIRECTIVES ON HOW TO PROCEED. WE NEED IMMEDIATE REINFORCEMENT AND A COORDINATED PLAN

(THE MEMO ABRUPTLY ENDS HERE. THE PAPER IS DAMP WITH AN OILY COCONUT RESIDUE...)
